

ORDINANCE NO. _____

AN ORDINANCE TO AMEND ARTICLE 5-5(B) OF ORDINANCE NO. 359 TO ESTABLISH UPDATED AREA REQUIREMENTS FOR THE C-2 (GENERAL BUSINESS) DISTRICT,

WHEREAS, the City of Rector adopted Ordinance No. 359 pursuant to the authority granted under Act 186 of 1957 to regulate land use and development in order to promote the public health, safety, and general welfare; and

WHEREAS, the C-2 (General Business) District is intended to accommodate a broad range of commercial uses serving the needs of the community; and

WHEREAS, the existing area and setback requirements for the C-2 District were drafted primarily for development along state and federal highways and have the unintended effect of discouraging commercial development and reinvestment on local streets; and

WHEREAS, the Planning Commission has identified a need to provide clear, predictable, and context-appropriate dimensional standards that allow commercial development on streets other than state and federal highways; and

WHEREAS, the City of Rector Comprehensive Land Use Plan (2025–2030) supports commercial infill, reinvestment in underutilized properties, and zoning regulations that align with existing infrastructure and development patterns; and

WHEREAS, the Planning Commission conducted a duly noticed public hearing on May 12, 2026, to receive public input regarding proposed amendments to Article 5-5(B) of the Rector Zoning Ordinance governing dimensional standards in the C-2 District; and

WHEREAS, *members of the public were present at said hearing and were afforded the opportunity to comment, and public input was received and considered by the Planning Commission; and*

WHEREAS, the City Council finds that updating the C-2 area requirements to reflect modern development practices will encourage local business growth while maintaining appropriate standards for access, safety, and compatibility with surrounding uses;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF RECTOR, ARKANSAS:
