ORDINANCE NO. 510

AN ORDINANCE INCREASING CITY WATER AND SEWAGE RATES FOR THE CITY OF RECTOR, ARKANSAS.

WHEREAS, the City of Rector incurs great costs operating the water and sewer in the City of Rector and has not issued a cost of living increase in rates for several years and is therefore losing money and unable to update equipment to best serve the citizens of Rector; and

WHEREAS, it has been determined by the Rector City Council that a seven-percent (7%) increase is needed to bring the water and sewer account current and operate it efficiently; further that a two-percent (2%) increase per year for the next three (3) years would be sufficient to keep the account level and handle the depreciation in equipment; further, the deposit for water and sewer will be set at $100.00 for new residential customers.

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF RECTOR, ARKANSAS, AS FOLLOWS:

SECTION 1: Effective January 1, 2006, the water and sewer rates for the City of Rector will be increased by seven-percent (7%) and thereafter said rates will be increased by two-percent (2%) for the next three (3) years beginning January 1st of each year.

SECTION 2: Effective January 1, 2006, the water and sewer deposit for new residential customers will be set at $100.00.

SECTION 3: The actual rates are stated in the attached addendum.

PASSED AND APPROVED this 7th day of November, 2005.
